To whom it may concern

Trieste, September 29, 2024

We hereby certify that **Muhammad Aslam** has been selected by the scientific committee of Trieste Next-Festival of Scientific Research (September 27-29 2024- [www.triestenext.it](http://www.triestenext.it)) - an event promoted by the Municipality of Trieste, the University of Trieste, ItalyPost, Sissa, Area Science Park and OGS - among the candidates who have applied for the fellowship to attend the **Trieste Next International Academy**, an intensive training program curated by Goodnet Territori in Rete and addressed to international university students interested in innovation and scientific research.

**Muhammad Aslam** had the opportunity to participate in the event, following a selected programme of activities, for a total of 3 days (27-29 September 2024, for a total 24 hours).

We deeply believe in the educational value of this experience and we send our best wishes for the continuation of your studies.
